PRICELIST - REPRINTS AND ENLARGEMENTS

All prints are produced on real ILFORD black and white RC photographic paper up to 30x40 inches. For larger sizes please ask. ILFORD RC black and white paper gives superior image quality and robustness. Images are consistent and neutral (unlike prints on colour paper), with good contrast, strong blacks and detailed highlights.

Please send in your negatives in a protective sleeve along with your order form below, (Negatives will be returned). Please post in a strong secure envelope to our address overleaf.

NB - For non-standard services please email: info@harmanlab.com
